George was born in Mexico, and moved to the U.S. when he was seven. At first, George had a rough time in school, but now George maintains a 1.5 scholastic average at Phoenix Union High School, where he is a freshman. One of George's favorite subjects is French, which makes him one of the few trilingual carrier-salesmen. George speaks French, English and Spanish.

George carries 155 papers each day to the downtown

George plans to attend the UofA law school with the help of a carrier scholarship, then go on to the F.B.I. academy.

George is the son of Mrs. Concepcion Garcia of 1217 E. Willeta, in Phoenix.
